

The Durris Deal

DURRIS PRIMARY/CROSSROADS NURSERY - VISION AND AIMS

Durris School is committed to being an excellent school community in which everyone is respected and valued, stimulated and supported in a caring environment, enabling all to achieve their very best.

At Durris School we have 3 main values – **Kind** **Responsible** **Creative**

| What our children want | What parents want for their children | What staff want for the children |
|--|--|---|
| To feel safe at school | To develop and have confident literacy and numeracy skills | To feel safe, secure, supported, included and nurtured |
| To learn about our rights and to respect everyone's rights | To be inspired, challenged, engaged, happy and confident in their learning. | To reach their full potential, whilst being both supported and challenged appropriately |
| To learn how the world works e.g. science, history, how the world works. | To know how and when to ask for help. | To understand the world around them and develop a curiosity for life-long learning |
| Go on trips and be outside – to help our learning | To develop good communication skills, friendships and the ability to socialise | To have the opportunity to develop a wide variety of skills for learning and life as well as achieving academically |
| How to use a wide range of technology (green screening, coding, apps etc..) safely and effectively | To feel safe, nurtured, accepted and listened to | To be happy, kind, thoughtful, resilient and respectful |
| To be able to make friends, have good social skills, be kind and look after each other | To have a rich variety of learning opportunities, including forest schools, trips and cluster events | To be an active member of their community – locally and globally |
| Achieve things you didn't think you could do! | To understand the world, we all live in whilst developing tolerance for others | |
| We want to learn how to look after our environment for the future | | |
| To be confident with our literacy & numeracy skills and learn the basics of another language | | |
| To be able to make good choices to keep healthy, take part in lots of PE and learn some basic cooking skills | | |
